

WE DIDN'T VOTE  
BECAUSE IT WON'T  
MAKE A DIFFERENCE!

## An Analysis of Voting Polarization and Power

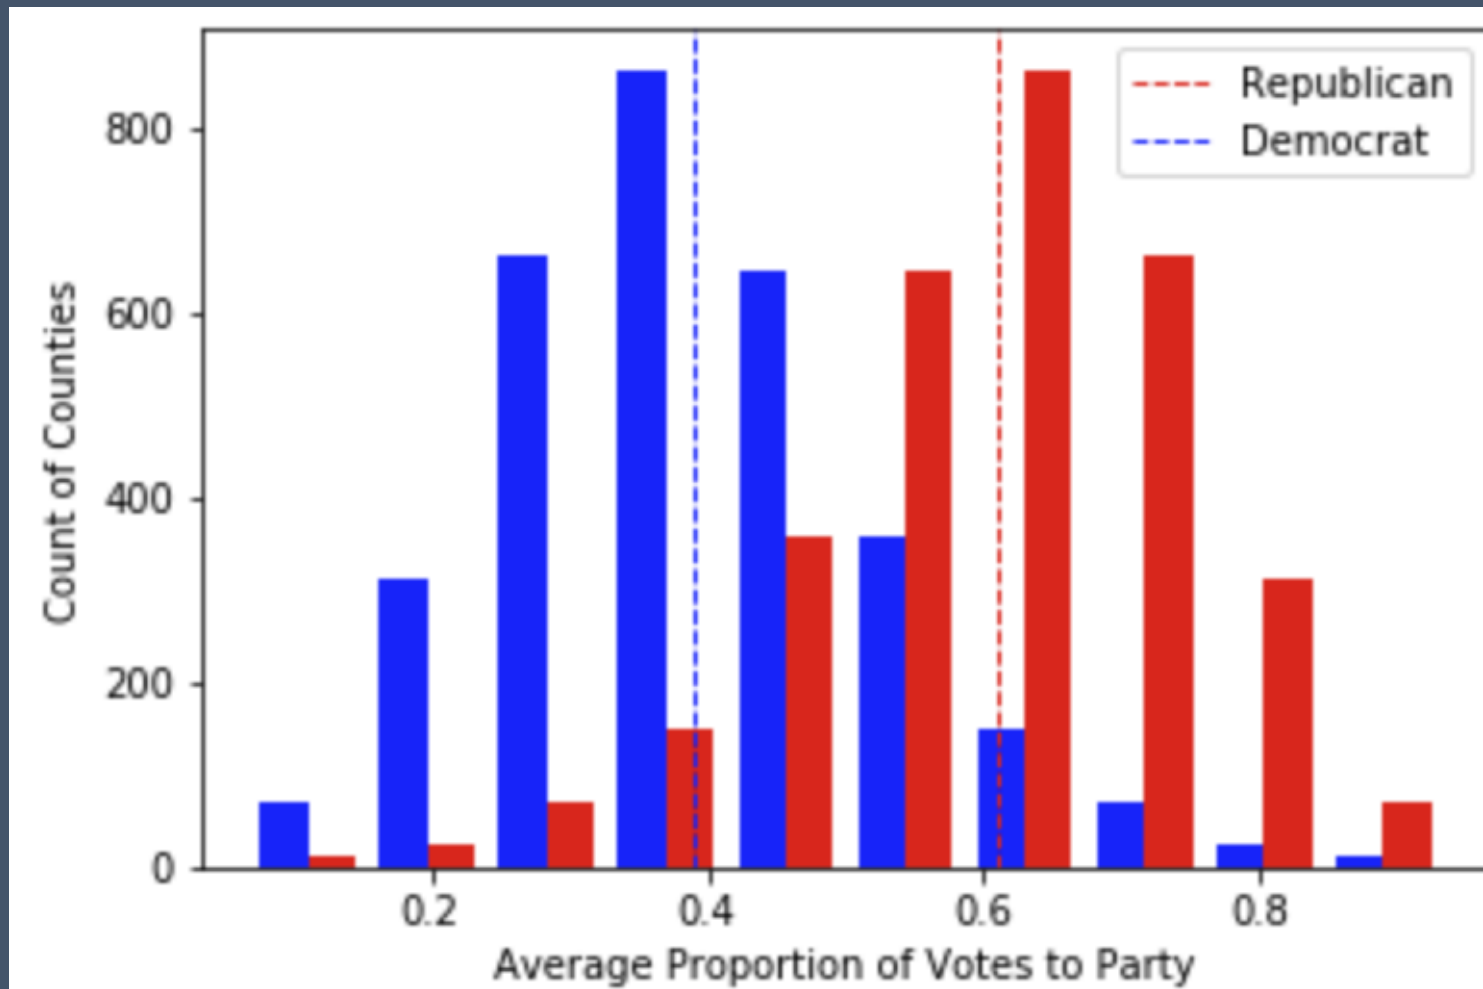

# Motivations

R1: Can we see a voter polarization? This is, are red areas becoming redder and vice versa.

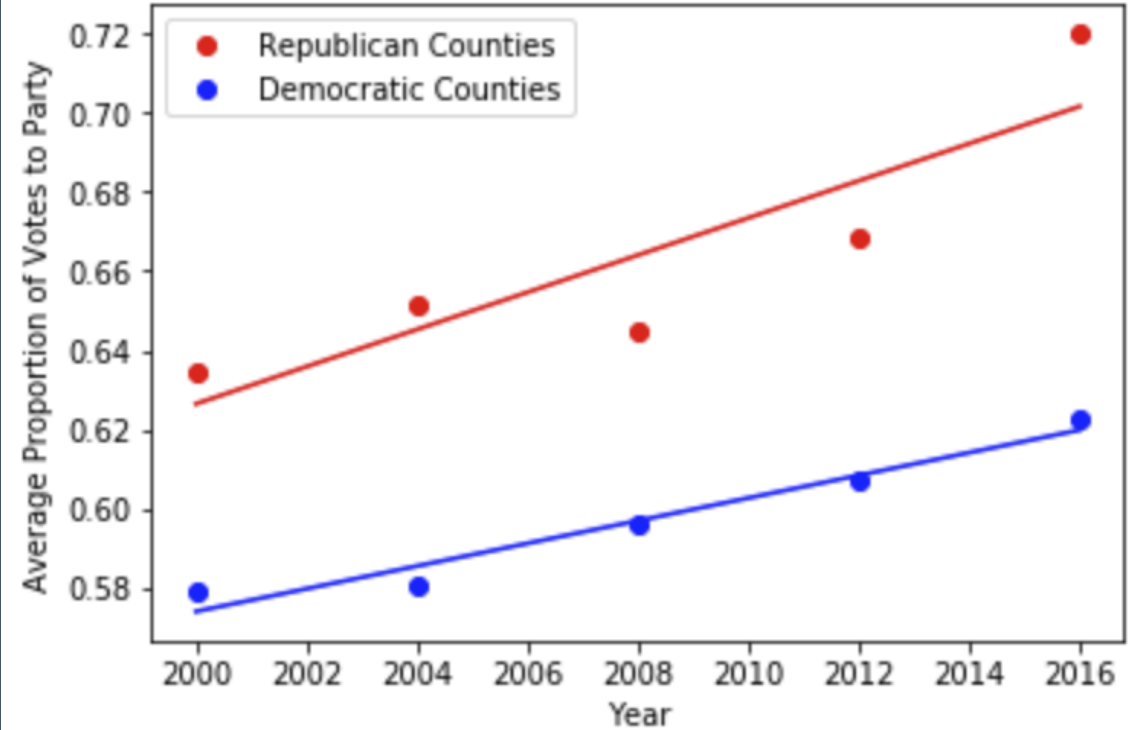

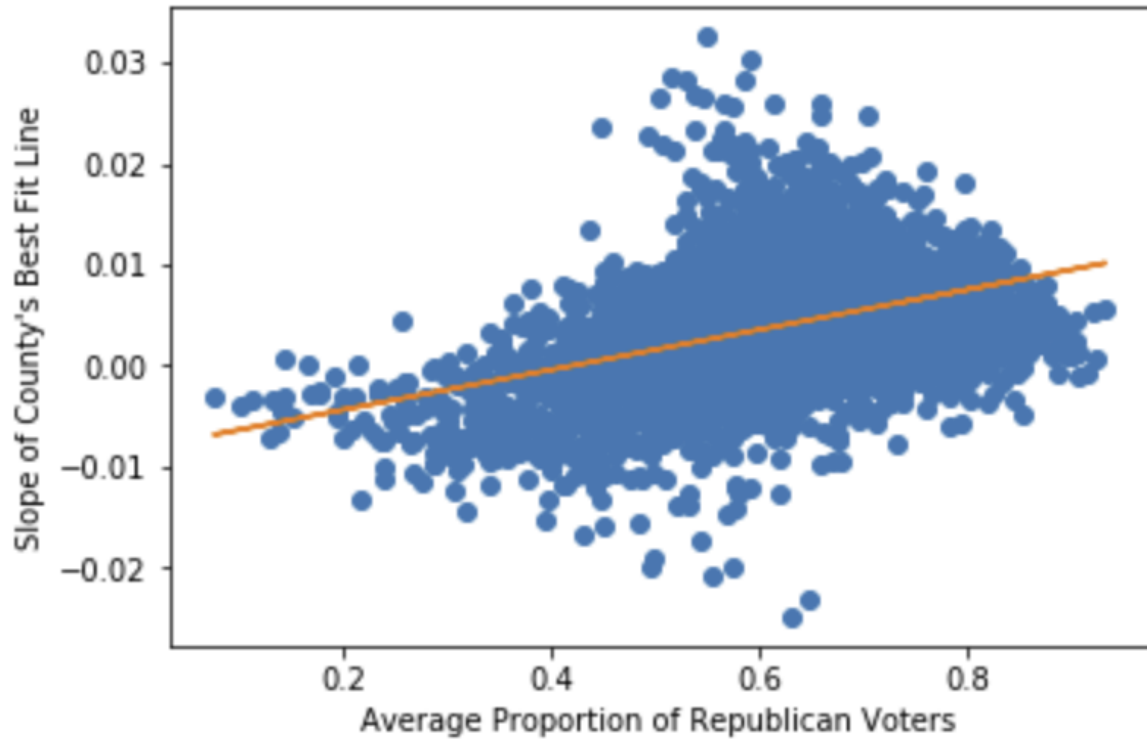

R2: Is the proportion of people voting for third parties increasing?

R3: What is the weight of a vote? Is there bias in the electoral college?

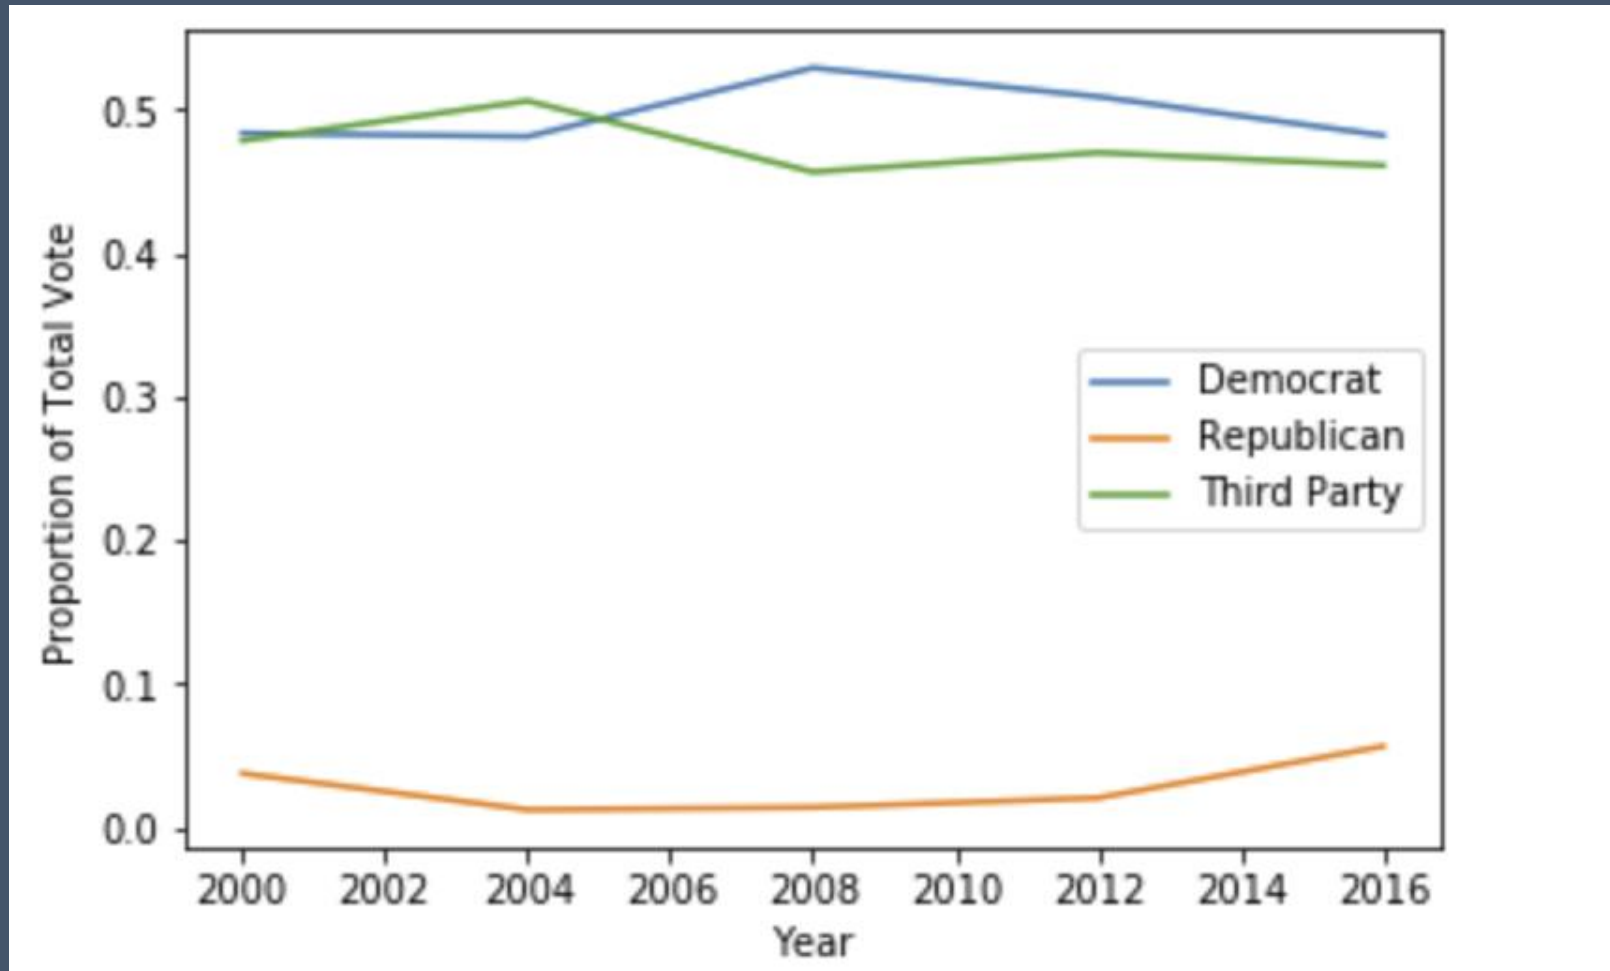

# Voter Polarization

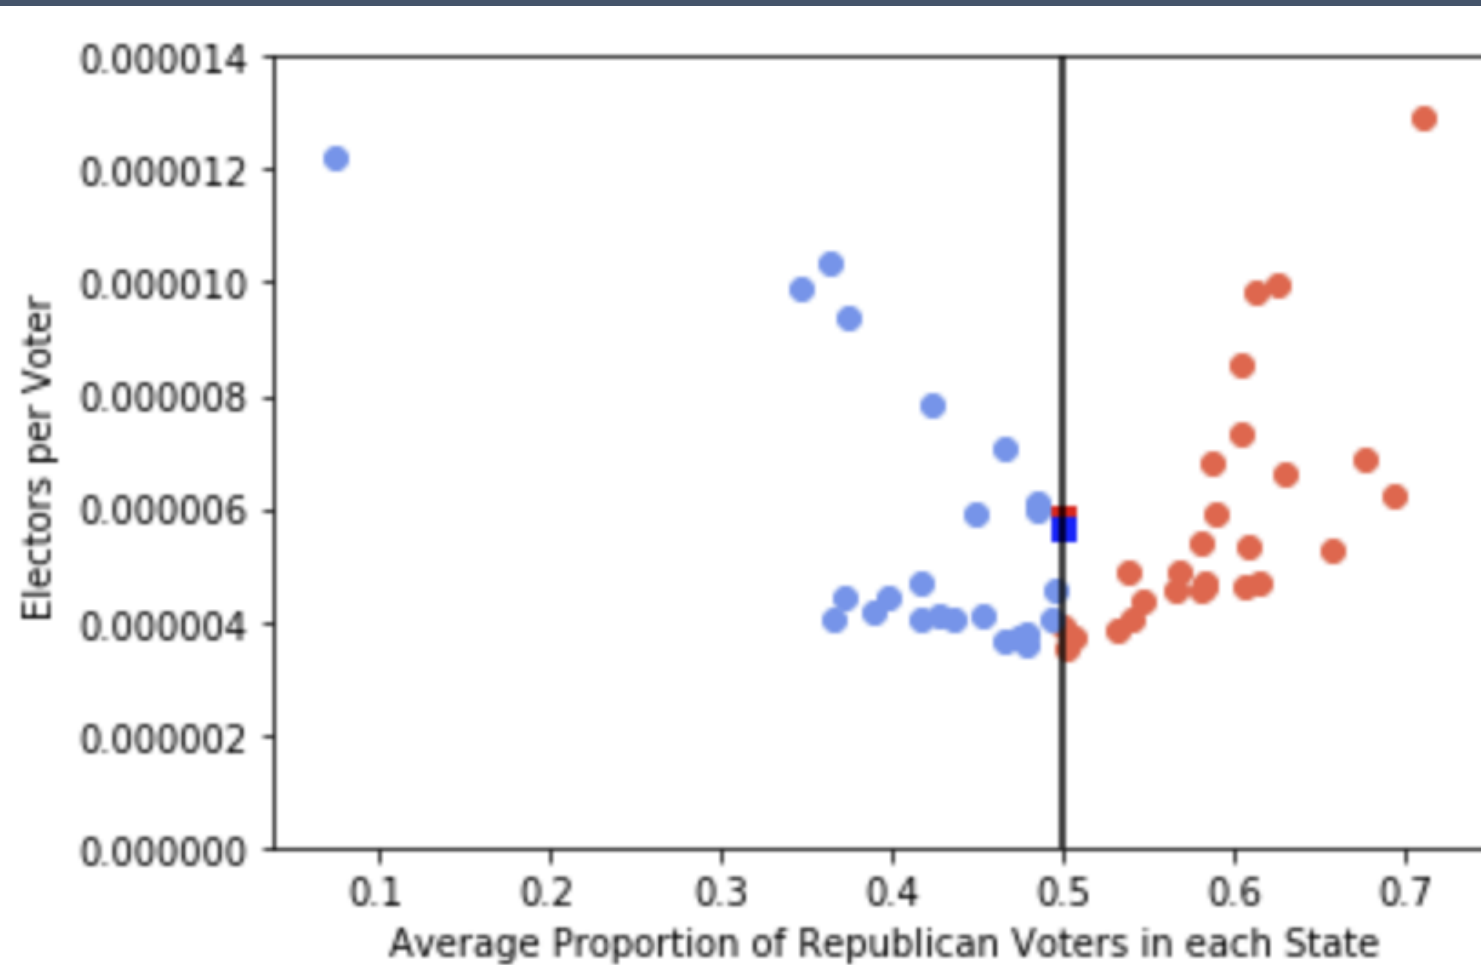

# Voter Polarization

# What about 3<sup>rd</sup> Party Voting?

# Voting Power

# Conclusions

- R1: Yes, we can see voter polarization in the last 5 years.
- R2: We can't conclusively say how voting for third parties is changing.
- R3: There doesn't appear to be a political bias in the electoral college.

More analysis is necessary to further answer R2 & R3.
